Your leaflets at the registration desk

Available for 5 companies

Package price:

8 000 UAH

If you do not have the opportunity to distribute your advertising leaflets at the event, neither you had time to add your handouts to the participant's bag, you still have a chance to promote your company to our audience. You can place your printed advertising at our reception desks (we have two of them) so that iForum participants can take it by themselves.

It will only work for your company if you offer something really useful or catchy, something more than just a story about your business.
